

RAIN CHECK

POLICY

If inclement weather prevents you from completing your round of golf or if the course becomes unplayable due to such conditions, we will gladly issue a rain check for the holes that were not completed. This rain check will be prorated based on the green fee you paid and the number of holes you were able to play.

For instance, if you paid \$22.00 for 9 holes with a cart and had to stop playing after completing the 4th hole, your rain check would be for the remaining five holes, with a prorated value of \$12.23. To redeem your rain check, please present your original receipt in the Pro Shop on the day of your original round. Kindly note that all rain checks issued in 2025 will be valid for the remainder of the 2025 season and will expire at the end of the year.
